Founded in 1999 by Fashion Institute of Technology graduates, Six Star Uniforms is a high end custom uniform retailer, screen printing and embroidering company located in Brooklyn, New York. Six Star provides quality apparel in hundreds of different prints and fabrics for special occasions like proms, weddings and nights out, as well as employee uniforms for a wide variety of industries. Despite their expansive selection of apparel and uniforms, the owners of Six Star Uniforms continue to utilize their fashion expertise to develop new products, designing and drawing out new pattern templates by hand to update our catalogue with unique and modern pieces. We have worked on projects for a diverse client list, from developing custom uniform lines for large-scale retailers such as Verizon, Hilton and McDonalds, to costuming performers in live shows like Cirque du Soleil and television shows such as The Big Bang Theory and the Jimmy Fallon Show. However, we also serve many smaller businesses and individuals. We value each of our customers and we consistently deliver superior quality products in a timely fashion. Whether you are ordering one item or one hundred, we will provide you with a Six Star customer experience.
